### 0.10% LOYALTY BONUS ON ROLLOVERS<sup>^</sup>

<sup>^</sup>When your client chooses to automatically reinvest their Term Deposit, we will reward them with a Loyalty Bonus of at least 0.10% p.a (subject to change). The Loyalty Bonus is a margin of interest which we add to the interest rate that is applicable to the reinvestment term at the time the Term Deposit matures. To earn the Loyalty Bonus, the reinvestment amount must be at least equal to the principal of the Term Deposit being reinvested. The Loyalty Bonus is subject to change, and your client may receive a different Bonus margin at the time of reinvestment than the one currently advertised. The Loyalty Bonus is not cumulative. For example, if your client reinvests their 12 month Term Deposit twice, they will not get a Loyalty Bonus of 0.20%. Reinvestment instructions can be provided to us any time prior to 1pm (Sydney time) one business day prior to maturity.
